Parents/Guardians,

You and your child will be responsible for completing the hours and reporting completed hours to Juvenile Services. Attached is a log sheet which you will be required to turn in when all hour requirements have been satisfied. The log sheet must be signed by a site supervisor each work day, you are responsible for your log sheet. Any attempts to forge signatures or document false hours may result in a contempt of court filing. Your child has been given a review date of ____ / ____ / _____ and the hours need to be completed before this date. Failure to return the log sheet before this date may result in a Court Motion. If you misplace the log sheet, there is a copy available under the "Juvenile Services" tab at www.maurycounty-tn.gov for download. The back page contains a list of Community Service Work sites, work must be completed at one of these locations. **You are responsible for contacting the site to set up time to volunteer.** Be aware that sites may ask you to complete a waiver of liability and that it is a good idea for a parent/guardian to speak with a site representative. If a site asks your child to leave because of behavior or not to return, you are expected to notify Juvenile Court of this.

Padres/Tutores,

Usted y su hijo será responsable de completar las horas y reportar las horas completadas a servicios juveniles. Se adjunta una hoja de registro que se le requiere entregar en cuando se han satisfecho todos los requisitos de horas. La hoja de registro debe ser firmada por un encargado de obra cada día de trabajo, usted es responsable de su hoja de registro. Cualquier intento de falsificar firmas o documentar falsas horas puede resultar en un desacato a la presentación judicial. Su hijo se ha dado una fecha de revisión de ____ / ____ / _____ y las horas deben ser completadas antes de esa fecha. Si no se devuelve la hoja de registro antes de esta fecha puede dar lugar a un movimiento de corte. Si no puede encontrar la hoja de registro, hay una copia disponible en la pestaña "Servicios Juveniles" en HYPERLINK "<http://www.maurycounty-tn.gov>" www.maurycounty-tn.gov para su descarga. La última página contiene una lista de los sitios de trabajo de servicio comunitario, el trabajo debe ser completado en uno de estos lugares. **Usted es responsable de comunicarse con el sitio para establecer el tiempo para ser voluntario.** Tenga en cuenta que los sitios pueden pedirle que complete una exención de responsabilidad y que es una buena idea para un padre / tutor para hablar con un representante del emplazamiento. Si un sitio pide a su hijo que se vaya debido a la conducta o no volver, se espera que notifique a la Corte Juvenil de esto.
